Information obtained from the Volunteer Center of Washington County

Community Service, if approved by the Judge, may be done at any non-profit charitable agency or organization.

Listed below are different locations where community service may be completed and is not all-inclusive. Please contact the agency directly to verify community service availability.

Please note, if the Court has ordered you to perform community service in lieu of a payment for your citation, a letter must be received on official agency letterhead on or before your fine due date, verifying completion of your community service.
